John, *for am*

STATINTL

Enclosed is a copy of a note I sent to []
[] Just to keep you informed.

STATINTL

Regarding the expense invoice; there ^{are} a couple of other long distance calls, but I didn't get a report back on the charges. I will have to wait until the phone bill comes in on or about the 17th of April. I'll include them on the next invoice.

Re: Magnetic tape recording of output of Navigation System.

I checked into the usage of the tape at your shop with []. We found that [] is planning to pump the data into your computer and use the [] plotter to make an automatic plot of the course. This looks good and should be a fruitful product. I think it would be even better if it could be used as a tool by [] to produce a strip map for the Interpreters. I have a bunch of notes which I will write up into a report for you and [].

Re: Contrast transfer functions.

There was no time available to talk to [] on this subject. I'll try to put some comments on paper and send to him.

Re: Conflict of Interest Regulations

I READ The Executive Memorandum which [] gave to [] and me. It doesn't shed much light on the subject. It does however quote two basic principles and I'll try to write work statement with those in mind.

Re: []

A year ago when I worked on their proposal to ACDA for a sensor survey, I told them I would be available to work on the contract, if they got it. Well, they got it and now they want me to do some work on it. I've been putting them off hoping to find some way to handle it, but the time has come and I must do something next week. I'll review [] paper over the week end and call you Monday or Tuesday.

Best Regard

I sent in to [redacted] the Form 1841 request
for Clearance on [redacted]

STATINTL

STATINTL

[redacted] They both have secret clearances on file
at 6th Army Hqs in Los Angeles. John will probably
forward the forms on to you.

STATINTL

[redacted] is the secretary who is doing some
typing for me. I talked to you on Monday March 23
about having her type my invoices and you said OK.
I forgot to ask if she could also type the "Log of
Activities" which goes along with the invoices.
The March Log is enclosed, so you can see what is
on it. Please let me know if you think it is OK
for her to type the LOG each month along with the
invoice pending receipt of your clearance on her.

Regards,
